

To Whom This May Concern:
Lifting the cross-ownership ban to allow
further media consolidation will not
serve the public interest. It is
imparitive that we not only have the
freedom of speech (which includes free
press) which is a right that our country
grants all of its citizens, but it is also
extremely important that the same press is
fair and unbiesed. If one the country's media
outlets are allowed to merge with others
eventually that will not be the case.
Thank you for your time.
